Boot Camp Assistant

Create Bootable USB Drive for Windows Installation

To create a bootable USB drive for Windows 8 or later version installation, select the Windows ISO image, select a destination USB drive, and then click Continue.

ISO image: ds/Windows10_InsiderPreview_x64_EN-US_101   [Choose...]

Destination disk:

SanDisk Cruzer Media

⚠ The data in the selected drive will be lost after it is formatted.
